Magazine for tyre trade, tyre servicing and aftermarket

Pneurevue™ is a specialized “business-to-business” magazine which covers the area of tyre industry, tyre distribution, tyre retail and all related areas, especially car aftermarket. The magazine covers all aspects of the trade both from the side of supply [manufacturers, sellers and service providers] and demand [mainly car fleets]. It deals with further sectors which are becoming natural parts of tyre business with the recent market development, such as quick fit and car part sale. Pneurevue monitors the status and trends of the sector both in national and international scale. Since 1995 it has been a respectable source of information and communication tool of the industry having a strong emphasis on general opinion. The print magazine is a key pillar of a comprehensive communication platform for tyre trade whose other components are: internet portal www.pneurevue.cz, Facebook profile, electronic newsletters. Pneurevue co-operates with a large number of renowned experts both from the Czech Republic and abroad. The magazine is successfully distributed also in Slovakia and partners a joint venture project of national tyre magazine in Ukraine.
