**Pneurevue™** is a specialized “business-to-business” magazine which covers the area of tyre industry, tyre distribution, tyre retail and all related areas, especially car aftermarket. The magazine covers all aspects of the trade both from the side of supply (manufacturers, sellers and service providers) and demand (mainly car fleets). It deals with further sectors which are becoming natural parts of tyre business with the recent market development, such as quick fit and car part sale.
